The 7th Annual

Atlanta Mayor's Cup

Raises $220,000 for Atlanta's Children

Dear Friends:

The Seventh Annual Atlanta Mayor's Cup Golf Tournament was a resounding success! As Honorary Chairperson, I want to express my gratitude to each of you who supported this event.

Since its inception, the Mayor's Cup has contributed more than $1.5 million to the Camp Best Friends Endowment Fund to benefit the Camp Best Friends summer camp program and The First Tee at John A. White Park children's golf camp. Our goal, over the next three and a half years, is to increase the Endowment Fund to $3 million to provide the additional operating capital necessary to permanently endow Camp Best Friends.

Our cooperative efforts will ensure that these two programs continue to provide a safe haven for Atlanta's youth and a place where they can engage in wholesome, organized and productive recreational, educational and arts-related activities.

I thank you for your commitment to the children of Atlanta and look forward to seeing you at the 2004 Mayor's Cup.

Yours for Atlanta,

Shirley Franklin
Honorary Chair
