ABOUT THE PERMIT ISSUANCE DIVISION

- Permit Issuance processes and issues:
 - Building Permits
 - Land Disturbance Permits
 - Trade Permits
 - Electrical
 - Low Voltage
 - Mechanical (HVAC)
 - Plumbing
 - Fire Sprinkler Permits
 - Public Utility Permits
 - City of Atlanta residents whose service has been disconnected for six months or more will be referred by Georgia Power to the Office of Buildings, Permit Issuance division to obtain a “Public Utility” permit.
 - Certificate of Occupancy (CO) requests
 - Alcohol License for event requests
- Permit Issuance provides general information about permit status, CO status, online verification and referral to inspections.
- Register new contractors in our permitting system and update their information when needed.
