Skate Park Use

Know your abilities and skate at your own risk

- Beginner
- Intermediate
- Advanced

- Sections of the park are marked as beginner, intermediate and advanced.
- The use of helmet, knees pads, elbow pads, wrist guards and other protective equipment is strongly recommended.
- Only skate boards and in-line skates are permitted. Bicycles, roller-skates and other wheeled devices are not permitted in skating area.
- This facility is used by both experienced and inexperienced users. Serious injury or death may result from being struck by other user’s equipment, falling or colliding. Do not proceed in an area until clear of other users.
- These activities are more hazardous at night. Use of the skate park is not recommended before sunrise or after dusk if all facility lights are not on.
- Weather conditions such as rain, snow or ice can affect ramps and surface conditions.
- Children should have parental supervision.
- No smoking, eating or drinking inside skate areas.
- The use of additional ramps, jumps or obstacles are prohibited within the park. Benches, tables, or other objects may not be used as skate surfaces.

Damage, graffiti, vandalism or other maintenance concerns may result in temporary closure of the park or restrooms. The city reserves the right to modify the hours of operation or close this facility for any reason.
