

**AN ORDINANCE
BY COUNCILMEMBERS CARLA SMITH AND IVORY LEE YOUNG, JR.
AS SUBSTITUTED BY ZONING COMMITTEE**

**AN ORDINANCE TO AMEND VARIOUS SECTIONS OF
THE ZONING CODE OF THE CITY OF ATLANTA, FOR
THE PURPOSE OF CLARIFYING AND/OR DEFINING
CERTAIN TERMS RELATED TO SUPPORTIVE HOUSING
AND SHELTERS; TO PROVIDE WHERE SUCH USES
SHALL BE PERMITTED; AND FOR OTHER PURPOSES.**

WHEREAS, Section 16-29.001 of the City of Atlanta Zoning Code contains definitions of terms that describe the permitted uses; and

WHEREAS, the City also desires to define Supportive Housing and Shelters and other related terms for the purpose of enabling persons and neighborhoods to gain greater understanding and an awareness of the need for Supportive Housing; and

WHEREAS, the City of Atlanta Zoning Code states the manner in which uses are permitted in various zoning classifications; and

WHEREAS, it is in the best interest of the city to clarify and define Supportive Housing and Shelters in the Zoning Code in an effort to become more consistent with local, state, county and federal government regulations and to adopt legislation for that purpose; and

WHEREAS, it is in the best interests of the City and for the health, safety and welfare of its residents and businesses that these definitions be adopted to provide more specific guidance as to where Supportive Housing and shelter uses may be located, and to provide how applications for such uses will be processed.

**THE CITY COUNCIL OF THE CITY OF ATLANTA, GEORGIA HEREBY
ORDAINS, as follows:**

Section 1. That Section 16-29.001 of the Zoning Code of the City of Atlanta be amended by **striking** the language which reads:

(71) Supportive Housing: sleeping facilities or housing, whether provided on a transitional, temporary or permanent basis and which may be provided in conjunction with the provision of medical care, job training, counseling and/or substance abuse counseling services and having all of the following characteristics:

- 1) The facility is operated on a not for profit basis;

- 2) Registration or any other type of permission to occupy the facility is required on a daily basis or under agreements or leases designed to ensure reservation of space;
- 3) Facilities and services include sleeping facilities, and/or personal sanitation facilities and may include the provision of meals, medical care, job training, counseling and/or substance abuse counseling services;
- 4) The supervision of residents and persons using the facilities and services made available is primarily provided for the purpose of enforcement of the rules and regulations pertaining to the operation of the place of use and not for the purpose of attending to the personal care needs of the persons served with respect to the supervision of self-administered medication, or with the essential activities of daily living such as bathing, grooming, dressing and toileting.

(a) A Special Use Permit is required to operate a Supportive Housing Facility. In addition to the requirements set forth in 16-25.003, Supportive Housing Facilities shall comply with the following standards:

- 1) No such facility shall be located within 2,000 feet of any Personal Care Home, Assisted Living Facility, Nursing Home, Rehabilitation Center, or other Supportive Housing Facility.
- 2) Each location shall be within 1,500 feet of a public transportation station or transit stop.
- 3) Where such use is allowed in any zoning district where no parking requirements for the use are specified, one parking space shall be required for each on duty staff member, whether paid or unpaid. In addition to staff parking, a space of sufficient size is required for each van, bus or other vehicle used by the facility and one additional parking space shall be provided for each 2,000 square feet of the facility.
- 4) Each facility shall provide a bed or crib for each resident.
- 5) Each facility shall allow restroom facilities to be available to residents at all times when residents are allowed on the property.
- 6) Each facility shall meet the minimum standards set forth in the City of Atlanta Housing Code for a “building with a special use” as set forth in Section 26 (as recodified or amended).

- 7) The owner or operator of the facility shall maintain a minimum staffing ratio of one (1) staff member for every thirty (30) residents during the hours from of 8:00 am to 6:00 pm and one (1) staff member for every twenty (20) residents during the hours from 6:00 pm to 8:00 am.
- 8) No facility shall allow either cooking or smoking in any room used for sleeping.
- 9) In any facility where indoor smoking is permitted, smoking shall be restricted to designated areas.
- 10) The owner or operator of the facility shall ensure that all staff members are instructed as to the location of all exits and trained in the use of fire extinguishers.
- 11) Each facility shall have an emergency evacuation plan approved by the Atlanta Fire Department posted in a public area of the facility.
- 12) Each facility shall have emergency exits clearly marked.
- 13) Each facility shall provide direct pedestrian ingress and egress that does not require unauthorized use of other private property.
- 14) Each facility allowing residents to park cars on site shall be required to provide on-site parking meeting the district regulations for commercial uses in addition to any other parking requirements.

(b) When the National Weather Service reports either that the temperature or wind chill is below thirty-two (32) degrees Fahrenheit or that a weather advisory is in effect, the owner or operator of a facility shall be excused from the minimum space requirements set forth in this section.

(c) After the date of adoption of this ordinance, the holder of any Special Use Permit or any Special Administrative Permit for any use which would be classified as Supportive Housing, shall make no alterations or additions to any structure for the purpose of increasing the number of persons to whom any services, including the quantity of sleeping facilities, whether provided as bed spaces or as separate rooms, or increasing the amount of services that are provided are provided without a special use permit issued pursuant to this section except for the purpose of increasing handicapped accessibility.

(d) After the date of adoption of this ordinance, no facility being used in a manner, which would be classified as Supportive Housing, will be allowed to increase the number of persons to whom any services, including sleeping facilities, are provided without a special use permit issued pursuant to this section.

And **replacing** it with the following:

(71) Shelter: Locations that provide sleeping facilities and/or personal sanitation facilities and may include the provision of meals, medical care and/or counseling service that require daily registration for occupancy. On site supervision of residents and persons using the facilities and services made available shall be provided for the purpose of enforcement of the rules and regulations pertaining to the operation of the place of use and not for the purpose of attending to the personal care needs of the persons served with respect to the supervision of self-administered medication, or with the essential activities of daily living such as bathing, grooming, dressing and toileting.

(a) Unless otherwise noted, a Special Use Permit is required to operate a Shelter. In addition to the requirements set forth in 16-25.003, a Shelter shall comply with the following standards:

- 1) No such facility shall be located within 2,000 feet, as measured by Sec. 16-29.001(16)(e), of any Personal Care Home, Assisted Living Facility, Nursing Home, Rehabilitation Center, Supportive Housing Facility, or other Shelter.
- 2) Each location shall be within 1,500 feet, as measured by Sec. 16-29.001(16)(e), of a public transportation station or transit stop.
- 3) Where such use is allowed in any zoning district where no parking requirements for the use are specified, one parking space shall be required for each on duty staff member, whether paid or unpaid. In addition to staff parking, a space of sufficient size is required for each van, bus or other vehicle used by the facility and one additional parking space shall be provided for each 2,000 square feet of the facility
- 4) Each facility shall provide a bed or crib for each resident.
- 5) Each facility shall allow restroom facilities to be available to residents at all times when residents are allowed on the property.
- 6) The owner or operator of the facility shall maintain a minimum staffing ratio of one (1) staff member for every thirty (30) residents during the hours from of 8:00 am to 6:00 pm and one (1) staff member for every twenty (20) residents during the hours from 6:00 pm to 8:00 am. As part of the certification process, the Mayor's Office of Human Services, shall determine the appropriate number of staff required to appropriately operate the Shelter.
- 7) No facility shall allow either cooking or smoking in any room used for sleeping.

- 8) In any facility where indoor smoking is permitted, smoking shall be restricted to designated areas.
- 9) The owner or operator of the facility shall ensure that all staff members are instructed as to the location of all exits and trained in the use of fire extinguishers.
- 10) Each facility shall have an emergency evacuation plan approved by the Atlanta Fire Department posted in a public area of the facility.
- 11) Each facility shall have emergency exits clearly marked.
- 12) Each facility shall provide direct pedestrian ingress and egress that does not require unauthorized use of other private property.

(b) When the National Weather Service reports either that the temperature or wind chill is below thirty-two (32) degrees Fahrenheit or that a winter weather advisory is in effect, the owner or operator of a facility shall be excused from the minimum bed or crib sleeping requirements set forth in this section.

(c) No existing structure lawfully devoted to a use which after the date of adoption of this ordinance would be classified as Shelter and which is located in a district which permits such use as a result of the adoption of this ordinance shall be enlarged, extended (horizontal or vertical) or moved, without a special use permit issued pursuant to this section and meeting the requirements of subsection (a) above. For the purposes of this subsection, the meaning of enlarge, extend or move shall include, but shall not be limited to, alterations or additions to any structure for the purpose of increasing the number of persons to whom any services, including the quantity of sleeping facilities, whether provided as bed spaces or as separate rooms, or increasing the amount of services that are provided except for the purpose of increasing handicapped accessibility

Section 1A. That Section 16-29.001 of the Zoning Code of the City of Atlanta be amended **by adding** the following language as Subsection (73):

(73) Supportive Housing: Housing provided on a transitional or permanent basis and which shall be provided in conjunction with certain services including but not limited to medical care, job training, counseling and requires the occupants to enter into an agreement or lease in order to reside and use those services.

(a) Supportive Housing shall comply with the following standards:

- 1) Certification, initial or renewal, from the Mayor's Office of Human Services that the operator meets the minimum requirements, as published by the Mayors Office of Human Services, to effectively

Doc. #405945

3/9/2009 Draft

operate and sustain an ongoing operation that is in the best interest of public health safety and welfare and that the operation is consistent with the City's current adopted Local Consolidated Plan. Certification from the Mayor's Office of Human Services must be renewed on an annual basis. As provided in the certification process, the applicant shall notify in writing the NPU Chair of the proposed application and shall present their proposal to the NPU if so requested. The NPU shall have no more than forty five (45) days from receipt of the written notification to review and comment on the application for certification. A vote from the NPU is not required.

- 2) No location shall be within 2,000 feet, as measured by Sec. 16-29.001(16)(e), of any Personal Care Home, Rehabilitation Center, Shelter or other Supportive Housing Facility.
- 3) Each location shall be within 1,500 feet, as measured by Sec. 16-29.001(16)(e), of a public transportation station or transit stop.
- 4) Each facility will be comprised of individual units that include a functioning kitchen, bathroom(s) and sleeping area(s).
- 5) A bed or crib shall be provided for each resident.
- ~~6) Where indoor smoking is permitted, smoking shall be restricted to designated areas.~~
- 6) The owner or operator providing the Housing shall ensure that all staff members are instructed as to the location of all exits and trained in the use of fire extinguishers.
- 7) An emergency evacuation plan approved by the Atlanta Fire Department shall be posted in a public area of the housing.
- 8) Emergency exits shall be clearly marked.
- 9) Direct pedestrian ingress and egress that does not require unauthorized use of other private property is required.
- 10) ~~In addition to any other applicable parking requirements, off-street parking requirements shall be the same as those for multi-family dwelling uses within the applicable district.~~
Each facility shall provide one parking space per every four dwelling units plus two additional spaces to be used by facility staff with the exception of those facilities located in zoning districts which have no minimum residential parking requirements.

(b) No existing structure lawfully devoted to a use which after the date of adoption of this ordinance would be classified as Supportive Housing and which is located in a district which permits such use as a result of the adoption of this ordinance shall be enlarged, extended (horizontal or vertical) or moved, without first complying with the requirements of subsection (a) above. For the purposes of this subsection, the meaning of enlarge, extend or move shall include, but shall not be limited to, alterations or additions to any structure for the purpose of increasing the number of persons to whom any services, including the quantity of sleeping facilities, whether provided as bed spaces or as separate rooms, or increasing the amount of services that are provided except for the purpose of increasing handicapped accessibility.

~~(b)~~(c) If at anytime the certified operator ceases to operate or manage the facility, transfers responsibility or sells the property to another operator the new operator must acquire their certificate from the Mayor's Office of Human Services and meet the notice requirements of subsection (a)(1) above.
