The Department of Public Works’ Solid Waste Education and Enforcement Team (SWEET) is pleased to announce monthly amnesty clean-up days as a part of the “Clean It Up Atlanta!” Community Improvement program. This is a concentrated effort to host citywide amnesty clean-ups where residents will not be fined for trash/debris near their property. Residents are encouraged to clean and remove debris from their property and place at the curbside for pick-up by 7:00 a.m. Friday, October 27. On Amnesty Clean-up Day, Solid Waste Services will collect the material placed at the curbside.
