Schedule
First session: Project Overview: 2:15 PM – 3:45 PM
Second session: Panel Discussion/Q & A: 3:45 PM – 4:00 PM

Who should attend?

Professionals involved in the construction industry including General Contractors, Subcontractors, Construction Managers, and Superintendents. We are looking for firms with vehicle or pedestrian bridge experience.

Benefits of attending this event:

Renew Atlanta and City of Atlanta invites you to a project information session on the new Municipal Court Pedestrian Bridge. Attendees will receive a general overview of the project scope, location, and goals. The Municipal Court Pedestrian Bridge is the next major project under the Renew Atlanta Vertical Portfolio and a key initiative for Mayor Kasim Reed. Attendees will also get a chance to meet with representatives from Renew Atlanta, Department of Procurement, Office of Contract Compliance, Risk Management, and other City agencies. There will be a panel discussion/Q & A session. Small Business Enterprise firms are welcome!
