

GDOT will be hosting a Disadvantaged Business Enterprise (DBE) Certification Assistance Workshop intended for those firms interested in DBE certification with the Georgia Department of Transportation. Whether you have started your application or are trying to determine if the DBE certification will benefit your business, this workshop is right for you.

Workshop participants will have the opportunity to meet with a certification expert and ask questions that are specific to their company(s). To maximize this opportunity, download the [Uniform Certification Application](#) *prior* to the workshop and come prepared to ask your questions.
