

Notice of New Electric Code

NFPA 70: National Electric Code

The State of Georgia has adopted the
2017 National Electric Code (NEC).

**Effective January 1, 2018, all projects
submitted must be designed using
the 2017 NEC Code.**

All projects submitted on or before
December 31, 2017, will be reviewed
using the 2014 NEC Code.
