

The City of Atlanta Commercial Permit Parking Guidelines

- **Parking and Standing Near Bicycle Lanes**
Trucks and commercial vehicles, when permitted to double park, must not obstruct a bicycle lane. Obstructing a bicycle lane is illegal and subject to a fine.

- Commercial vehicles other than commercial trucks are authorized to park in areas of the city designated as truck loading zones and without charge at all metered parking spaces so long as a truck loading zone/parking meter pass is first obtained from the office of transportation as prescribed in this section, and only during loading and unloading of the vehicle.
- Such vehicles may park at a designated location for a period not to exceed 30 minutes.
- The permit shall be **permanently attached** to the inside windshield on the driver's side of the vehicle.
- Use of the permit through misrepresentation (i.e. in a vehicle other than indicated on the permit) subjects the applicant to a fine.
- Every pass issued under this section shall be renewed annually on or before the anniversary of the date of issuance. A renewal fee of \$300.00.

I, the undersigned, as a duly authorized representative of the above listed business, merchant or commercial establishment agree to the ***Load/Unloading Permit Rules and Regulations***.
