N HIGHLAND AVE NE + AMSTERDAM AVE NE

PLACEMAKING PROGRAM EXAMPLE

AMSTERDAM AVENUE AT N. HIGHLAND

is adjacent to the Mali Thai Restaurant and many other small businesses. This area is along a thriving neighborhood retail corridor and has transit adjacency. There are several on-street parking locations within the area that can be used as a place for parklet demonstrations, art installations or permanent park placements. With the connection to the commercial area, this is an ideal location to engage the community and business owners.

JUSTIFICATION FOR IMPLEMENTATION SELECTION:

• Easily usable because the excessive amount of concrete is not located in the intersection
• No metered parking
• Width of road allows for flexibility of design

LEVEL III (2-3 YEARS - PERMANENT

• Greatest potential for permanent change
• Largest budget requirement
• Robust planning, design & approvals needed

Examples:
• Open Streets
• Cafe’ Parklet Program
• Intersection Murals
