

Shareable Dockless Mobility Device

Reduced Speed Zone

As of June 21, 2019 at 6:00 PM, the City of Atlanta is implementing a Reduced Speed Zone along a congested portion of the Atlanta BeltLine. Within the Zone, the motor of the Shareable Dockless Mobility Device must not alone be capable of propelling the device in excess of **8 mph**.

Hours of Effect: The reduced speed zone is in effect weekday evenings (Mon-Thurs 6:00 PM – 6:00 AM), weekends (from Friday at 6:00 PM until Monday at 6:00 AM), and state holidays (6:00 AM – 6:00 PM).

Reduced Speed Zone: Reduced speeds required at 8 mph or less within 50 feet of the Atlanta BeltLine Eastside Trail from Monroe Drive to DeKalb Avenue.

Transitional Speed Zone: Recommended transition zone within 100 feet of the Reduced Speed Zone to allow users to safely approach/cross the trail
