

**CITY OF ATLANTA
NOTICE OF PROPOSED CONTRACT ACTIONS**

ATTENTION INTERESTED OFFERORS:

The City of Atlanta's Department of Procurement ("DOP") on behalf of the Department of Aviation ("DOA") is building a new South Deicing Complex to provide additional deicing capacity so aircraft operational throughout could be maximized during winter weather conditions. A new Deicing Complex will be constructed consisting of a new ramp and support facilities located on the southside of the airfield. The scope of this project is to provide the new ramp and glycol reclamation facility. Also included in the project are storm water drainage system improvements, airfield lighting system improvements, a new fiber optic service, an NLVR realignment, a new deicing truck storage parking lot with a canopy, and utility service relocation.
