OFFICE OF BUILDINGS

# **IMPORTANT NOTICE**

---

Effective April 6, 2020, it is required that the plan review deposit fees for all building permit applications be paid within thirty (30) days of the date on which the application was submitted. Failure to meet this deadline will void the application and the submitted drawings will be discarded. The applicant will be required to re-submit the application and all associated drawings.

Please refer any questions you have to the project manager of the associated workstream.
