CASCADE ROAD/AVENUE COMPLETE STREET PHASE 1

March 30, 2022

Project Description

Phase 1 of the project includes corridor improvements along approximately two (2) miles of Cascade Road/Avenue from City Limits to Willis Mill Road and Delowe Drive to Avon Avenue, including milling, resurfacing, restriping, traffic communications corridor signal upgrades, bus stop enhancements, streetscapes, extended bike lanes and pedestrian safety improvements. The project also includes a 10-foot, shared-use path for bicycles and pedestrians from City Limits to Willis Mill Road. From Delowe Drive to Avon Avenue, the project will include five-foot sidewalks on both sides and a shared-use bicycle lane.

Project Scope:

- Granite curbs, minor grading, retaining walls, sidewalks, street drainage systems, pedestrian improvements, street lighting, and road patching and restoration
- Pedestrian refuge islands located near:
 - Willis Mill Road (Rectangular Rapid Flashing Beacon [RRFB])
 - Boulevard Lorraine
 - Pollard Drive (RRFB)
 - Centra Villa Drive (RRFB)
- Resurfacing of approximately 4.25 miles of Cascade Road/Avenue from the City Limits just west of Kingsdale Drive to Ralph David Abernathy Boulevard
- Cascade Avenue signal upgrades at intersections with:
 - Childress Drive
 - Lynhurst Avenue
 - Benjamin E. Mays Drive/Beecher Road
 - Boulevard Granada
 - Herring Road/Fontaine Avenue
 - Avon Ave/Cascade Circle (detection only)
 - Cascade Terrace (detection only)
 - Richland Road (detection only)

- o Westwood Avenue/Donnelly Avenue (signal cabinet only)

Proposed Detours:

Three (3) road closures with detours (*pictured below*) are proposed to accommodate roadway improvements throughout the project. They will be implemented separately during the appropriate stages of project construction. Traffic advisories notifying the community of impending closures and detours will be distributed to media, sent to the project update emailing list, and posted on the ATLDOT website and digital media sites prior to implementation.
